Director Report - These items were discussed:

Our July activities were well received; the ladies especially loved the nail salon and everyone loved the banana split social – lots of compliments and “thank yous”. Our bingo was popular; we served 117 people in the dining room that day for a total of 217 meals served. We had a lot of fun with our Tie Dye party as well.

Our new treadmills are in, haven’t heard anything from the seniors one way or the other.

Only a few seniors, no city officials, a few staff and Bob Ewell attended the latest Community Meeting. All comments were positive. One senior wants to make things to sell with all proceeds going towards a field trip to lunch (?) in Gallup. She agreed that replenishing the activity/craft fund was appropriate as well. We’ve changed Community Meeting day to Thursdays rather than Wednesdays because Otero bingo. 2nd Thursday of every month.

Suggestion Box: request for “dances”, shopping trip, big coffee pot to be put back in dining room, automatic doors on the restrooms, hand sanitizer, someone asked for the numbers to be put back on the tables because they think it’s a fire hazard to have people crowded up at the door.

We’ve packed August with more activities: 2 bingos, another nail salon, a shopping field trip to Alb., a dance at the end of the month and possibly more ice cream.

FGP/SCP

In August we will be taking volunteers to a 2-day conference in Santa Fe on Aging and Long Term.

Program is still going good!

Activity Fund: \$800.00?

Senior Olympic Funds: \$1,503.00
